## CORRECTION OF ERRONEOUSLY ESTABLISHED

**SMALL ENTITY STATUS UNDER 37 CFR 1.28(C)**

**Dear Sir:**

The assignee of the subject patent application was erroneously asserted to be a small entity when the application was filed on grounds the foreign associate in Finland who wrote the priority application for the assignee erroneously indicated to the undersigned that the assignee was entitled small entity status. The assignee had actually become a large entity, but the foreign associate did not know this when she indicated to the undersigned that the assignee was a small entity. Accordingly, small entity status entitlement was erroneously indicated in good faith when the subject application was filed.
